

Date 21/7/22

Dear John

Ref: Place on Post Graduate Advanced Diploma in Psychotherapy Course 2022/23

WPI has now received your references and we would like to formally offer you a place on the Post Graduate Advanced Diploma in Psychotherapy Course. The Gestalt or Integrative strand is selected at the end of the 1st year.

The Progression Policy asks each student to commit to 1 year of training at a time.

At the end of the 1st and 3rd year WPI will ask each trainee to have a tutorial to discuss their progression to the next stage.

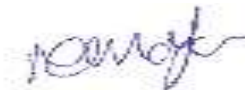

The year one term begins with the first module, Friday 7th October – Sunday 9th of October 2022.

It is the intention of WPI to offer in-person training in the WPI building in this academic 2022/2023, however, should Covid 19 regulations alter, we will return to remote training via Zoom.

If you formally accept your offer, the next step is registration. Please complete and return the registration documents, signed and include a scanned passport sized photo. Your place is only guaranteed once you have paid the deposit.

We are delighted that you will be training with us.

With Our Regards

PP
Melanie Ovens
Chair of Training Committee.

Marian Crowley
Course Leader Gestalt programme

Rosy Wood Bevan
Course Leader Integrative programme
