Hi everyone,

It was great to see you all yesterday and thank you for giving up your time to listen to our presentation.

Hopefully you have had time to reflect on all that was said and can make a decision knowing all the facts.

I've attached the application form along with the training schedule and a document where I've captured all the relevant information and dates in case you didn't catch them yesterday.

I totally appreciate we may not fit with everyone because of timings etc, so please just let me know if you can't commit to this recruitment but would like to be considered in the future. Otherwise I look forward to receiving your applications.

Many thanks

Ruth
